1980 ARTICLE INDEX

Articles published in PRODUCTS FINISHING, January through December, 1980, classified by subject...

ALUMINUM — **MONTH/PAGE**

How To Prepare Aluminum for Painting, by Herbert Brumer ..... April, 60
Electrolytic Coating for Aluminum and Magnesium ..... May, 76
Water Quality Important to Anodizer, by David X. Manners ..... June, 60
Low-Voltage Hard-Anodizing of Aluminum, by Moisey Lerner and Jim Morse ..... July, 58
Titanium Racks for Color Anodizing?, by Brian S. Siegel ..... December, 29

BAKING

Radiant/Convection Ovens for Curing Powder Coatings, by Henry J. Bennett ..... February, 36
Save Energy with Radiant Curing, by Hugo N. Cahnman ..... February, 50
Today's Convection-Type Ovens, by Philip Williams ..... February, 60
Emission-Control System for Paint-Bake Oven Recovers Solvent ..... March, 62
Practical Application of Electric Infrared Heating in Coil Coating, by Greg Halvorson .... July, 78
Infrared Cures Powder Coatings in Seconds, by Dee Wanzek and Frank Garske .... December, 67

BLACKENING

Blackening Metals, by Paul R. Jarvi ..... November, 63

BUFFING

High-Production Polishing and Buffing, by Joe Saad ..... January, 34
Automatic Finishing... The Flexible Tool, by John F. Harper, Jr. ..... January, 68
Special Buffing Procedure Improves Refrigeration Compressor Plates ..... October, 84

CHEMICAL COATINGS (organic)

Powder and Other RACT Coatings for the 80's ..... January, 58
Coatings Reduced with Chlorinated Solvents ..... May, 80
Urethanes as Problem Solvers ..... June, 54
High-Solids Coatings: A Comparison ..... August, 80
High Solids, Here Now! ..... September, 80
Assessing High-Solids Coatings ..... October, 78
Cutting Tools Coated for Longer Life, by Brice Fredericks ..... October, 88
Today's Coatings for Business Machines, by L. Wayne Harper ..... November, 100
Today's Powder Coatings, by Ron Farrell ..... December, 42
Powder Coating Protects Bell System Coin Telephones, by J. W. Saxon ..... December, 58

CLEANING

Comparing Pretreatments for Water-Borne Coatings, by William E. Satala ..... April, 34
Do What You Can To Improve Cleaning and Treating, by Wilbur L. Wagemann ..... April, 44
Steam Cleaning/Phosphatizing Electrical Enclosures ..... May, 82

COIL COATING

Roll Coater Starts Up World's Fastest Coil Coating Line ..... January, 84
Coil Coater Curbs Air Pollution, Cuts Energy Use ..... July, 38
Vinyl-Steel Laminates for Oasis Water Coolers and Dehumidifiers ..... July, 44
Coil Coater Cuts Effluent Treatment Costs, by Albert Harrison ..... November, 38
Pre Finish Metals Unveils World's Largest Coil Coating Line ..... December, 81

CONVENTIONS, EXPOSITIONS, TECHNICAL SOCIETY MEETINGS

SUR/FIN '80: 67th /Annual AES Technical Conference ..... May, 83
AES Conference and Show/1980 ..... September, 60

CORROSION **MONTH/PAGE**

Eliminating Auto Corrosion ..... March, 82
A Step Forward ..... May, 67
Big Automotive Use for Hot-Melt Rustproofing ..... May, 78
Nickel-Iron Electroplates for Exterior Automotive?, by Robert Tremmel ..... June, 42
Corrosion Under Coatings ..... August, 76

DEGREASING

EPA Regs for Solvent Degreasing, an interview with R. W. Clement ..... September, 44

ELECTROCOATING

Cathodic Electrocoat Has Exterior Durability ..... March, 90
Air-Dry Electrocoat ..... May, 56
Electrocoating Snap-on Tool Boxes, by Jan Peterson ..... October, 48

ELECTROFORMING

Electroforming Molds for Plastic Fresnel Lenses,
by Arthur Wasserman and J. L. Lester ..... November, 44

ELECTROLESS PLATING

Electroless Nickel Coatings—Diamond Containing, by N. Feldstein, T. Lancsek,
R. Barras, R. Spencer and N. Bailey ..... July, 65
Treating Electroless Plating Effluent ..... August, 70

ENERGY CONSERVATION

Pontiac Saves Energy, Cuts Water Usage, by Michael A. Cunningham ..... March, 66
Coil Coater Curbs Air Pollution, Cuts Energy Use ..... July 38

GALVANIZING

Room Temperature Galvanizing ..... September, 40
All About Galvanized Steel Wire, by Bruce A. MacKenzie ..... November, 52

HIGH-SOLIDS COATINGS

Powder and Other RACT Coatings for the '80's ..... January, 58
High-Solids Coatings: A Comparison ..... August, 80
High Solids, Here Now! ..... September, 80
Assessing High-Solids Coatings ..... October, 78

MANAGEMENT

Employee Theft and Fidelity Insurance, by Joseph Arkin ..... June, 98
Install a New Coating Line at No Cost, by Jay R. Willner ..... July, 74
Plant Assessment in Planning for Pollution Control,
by Paul Agathoklis and John Moore ..... August, 90

MARKET TRENDS

Growth Predicted for Finishing Suppliers ..... February, 68
Future Trends in Plating, by Howard Ellerhorst, Jr. ..... June, 76
Future Trends in Organic Finishes, by Howard Ellerhorst, Jr. ..... June, 82
Growth Seen for Plating and Powder Coating Equipment and Systems ..... June, 86
Planning for the Future in Electroplating ..... June, 90

MISCELLANEOUS

Growth Predicted for Finishing Suppliers ..... February, 68
Vinyl-Steel Laminates for Oasis Water Coolers and Dehumidifiers ..... July, 44
Coatings To Improve Wear Resistance, by Idira Rajagopal ..... July, 52

PAINTING EQUIPMENT, FACILITIES

Quality Finishing at Columbia Lighting, by B. J. Fahringer ..... January, 46
Roll Coater Starts Up World's Fastest Coil Coating Line ..... January, 84
Painting Snowmobiles, by Gerard H. Poll, Jr. ..... February, 40
Install a New Coating Line at No Cost, by Jay R. Willner ..... July, 74

MONTH/PAGE

Finishing Automotive Decorative Front Ends, by Brian M. Brouillette ..... August, 53
Finishing Structural Foam Plastics, by James W. Carlisle ..... August, 86
How Solvent Recovery Can Pay, by C. Kenneth Claunch ..... November, 76

PAINTING TECHNIQUES

Flow Coating Base Coats, Top Coats, by Elmer Faber ..... March, 84
Coating Oil Field Drill Pipe ..... April, 76
A New Way To Clean Paint Masks, by C. Kenneth Claunch ..... May, 71
Painting Plastic Window Shutters ..... May, 72
Finishing Automotive Decorative Front Ends, by Brian M. Brouillette ..... August, 53
Finishing Structural Foam Plastics, by James W. Carlisle ..... August, 86
Spray Spinners Coat Pipe Interiors, by Jeffrey Wesson ..... September, 86
Cutting Tools Coated for Longer Life, by Brice Fredericks ..... October, 88

PLATING EQUIPMENT, INSTALLATIONS

TI's New Plating Line ..... February, 48
Midas Touch for Sheaffer Pens ..... May, 42
Alkaline Zinc Bath Solves Low-CD Problems ..... August, 38
New Metals Processing System Satisfies Cessna's Quality and Production Requirements, by G. Thomas Robison ..... October, 39
Million-Dollar Modernization for Cleveland Plater, by Gerard H. Poll, Jr. ..... October, 62
The Quick Way to Leak-Proof Tanks, by H. A. Roistacher, P.E. ..... October, 72
Immersion Heaters Have UL and CSA Approval ..... October, 86

PLATING ON PLASTICS

Plating on Plastics: Growth Opportunity ..... January, 62
Problems Solved in Plating Plastics ..... June, 70

PLATING PROCESSES AND TECHNIQUES

Saving Gold, by Gerry Bush ..... March, 76
Midas Touch for Sheaffer Pens ..... May, 42
Nickel-Iron Electroplates for Exterior Automotive?, by Robert Tremmel ..... June, 42
Alkaline Zinc Bath Solves Low-CD Problems ..... August, 38
36 Million Gallons Between Filter Changes ..... September, 82
Portable Barrel Plating, by Richard Steinhauer ..... October, 56
Automatic Monitoring of Plating Baths, by Steven Newman ..... November, 92
Looking for Ways To Plate Less Gold ..... November, 108
Improved Copper Plating for PCBs, by Alan Engler ..... December, 52

POLISHING

High-Production Polishing and Buffing, by Joe Saad ..... January, 34
Automatic Finishing...The Flexible Tool, by John F. Harper, Sr. ..... January, 68
Spot-Suction Grinding, by Donald E. McCulloch ..... June, 66

POLLUTION CONTROL, AIR

Powder and Other RACT Coatings for the '80's ..... January, 58
Emission-Control System for Paint-Bake Oven Recovers Solvent ..... March, 62
Coatings Reduced with Chlorinated Solvents ..... May, 80
EPA Regs for Solvent Degreasing, an interview with R. W. Clement ..... September, 44
Most States Ready To Enforce Air Pollution Regulations ..... September, 54

POLLUTION CONTROL, WATER

What You Should Know About Hazardous Wastes, by Henry R. Friedberg ..... January, 76
What To Do About Sludge, by Joseph M. Haviland ..... February, 56
Pontiac Saves Energy, Cuts Water Usage, by Michael A. Cunningham ..... March, 66
The Case for Electrodialysis, by Michael Gransky ..... April, 48
Rockford's Reporting Form for Platers ..... April, 66
EPA Modifies Pretreatment Regs for Platers ..... April, 110
The Lamella Separator, by Sam Frisch ..... August, 44

MONTH/PAGE

Dewatering Sludge ..... August, 64
Rotating-Cylinder Electrode Removes Heavy Metals, by George Schore ..... August, 68
Treating Electroless Plating Effluent ..... August, 70
Plant Assessment in Planning for Pollution Control,
by Paul Agathoklis and John Moore ..... August, 90
Coil Coater Cuts Effluent Treatment Costs, by Albert Harrison ..... November, 38
How Guide Recovers Nickel and Chromium, by Ezra A. Blount ..... December, 34
Pretreatment Rules ..... December, 74

POWDER COATING

Powder and Other RACT Coatings for the '80's ..... January, 58
A Water-Borne Powder? ..... January, 66
Radiant/Convection Ovens for Curing Powder Coatings, by Henry J. Bennett ..... February, 36
Ten Years in Powder Coating, by Whitney Jones ..... May, 44
Powder Coating Conveyor Components, by G. Thomas Robison ..... June, 34
Powder System Speeds Coating of Intermatic Timers, by Gerard H. Poll, Jr. ..... September, 36
Today's Powder Coatings, by Ron Farrell ..... December, 42
Powder Coating Protects Bell System Coin Telephones, by J. W. Saxon ..... December, 58
Infrared Cures Powder Coatings in Seconds, by Dee Wanzek and Frank Garske ..... December, 67
Powder Coating Showcase ..... December, 91

PREPAINT TREATMENT

Comparing Pretreatments for Water-Borne Coatings, by William E. Satala ..... April, 34
Do What You Can To Improve Cleaning and Treating, by Wilbur L. Wagemann ..... April, 44
How To Prepare Aluminum for Painting, by Herbert Brumer ..... April, 60
Steam Cleaning/Phosphatizing Electrical Enclosures ..... May, 82
Prepaint Final Rinses: Chrome or Chrome-Free?, by Dr. Lawrence N. Kremer ..... November, 82

RADIATION CURING

IBM Looks at Electron Beam Curing ..... February, 66

SOLID WASTES

What You Should Know About Hazardous Wastes, by Henry R. Friedberg ..... January, 76
What To Do About Sludge, by Joseph M. Haviland ..... February, 56
The Lamella Separator, by Sam Frisch ..... August, 44
Dewatering Sludge ..... August, 64
How Guide Recovers Nickel and Chromium, by Ezra A. Blount ..... December, 34

THICKNESS MEASUREMENT

Saving Gold, by Gerry Bush ..... March, 76
A Step Forward ..... May, 67

TUMBLING

Seven Types of Compounds for Mass Finishing, by Harold A. Mickelson ..... January, 52

VACUUM COATING

Why Sputtercoating?, by John Bowers ..... March, 38
Sputtering in Horizontal-Chamber Coaters, by Ron R. Mazzuca ..... March, 56

VIBRATORY FINISHING

Seven Types of Compounds for Mass Finishing, by Harold A. Mickelson ..... January, 52

WATER-REDUCIBLE COATINGS

Powder and Other RACT Coatings for the '80's ..... January, 58
A Water-Borne Powder? ..... January, 66
Water-Borne, Low-Temperature-Cure Textured Coating ..... March, 88
Cathodic Electrocoat Has Exterior Durability ..... March, 90
Comparing Pretreatments for Water-Borne Coatings, by William E. Satala ..... April, 34
Air-Dry Electrocoat ..... May, 56
Tips on Using Water-Bornes ..... September, 76
